WINEMAKER'S NOTES:

Exciting, bright and focused—the 2015 vintage of our Pinot Gris showcases this classic Willamette Valley mainstay on a side of the spectrum that emphasizes acid and length over width and weight. The result is refreshing, elegantly dry and subtly mineral. Tart green apple, lemon zest and wet stone aromas and flavors are accented with underlying notes of brioche that add depth and round the edges just enough. The refreshing and energetic palate settles down into a fairly long, dry finish. As versatile as it is delicious.
